

# Grouse Springs Nursery 2010

**35649 MT Hwy 35  
Polson, MT 59860  
406.887.2696**

**[grousespringsnursery.com](http://grousespringsnursery.com)**

**GROUSE SPRINGS NURSERY  
2010**

This is the 23<sup>rd</sup> year for the nursery at this property  
The nursery has a wide variety of plants, some not listed here so please inquire.  
I also do searches and acquisition for that hard to find plant.  
Directions: Located on Hwy 35, 5.8 miles from the Jct. of Hwys. 35 and 93;  
and 25 miles from Bigfork, just south of Finley Point and the Firehall

Caroline Kruckeberg-Clemans  
35649 MT Hwy 35  
Polson, MT 59860

**SHADE AND ORNAMENTAL TREES**

**Maples**

Acer freemanii 'Autumn Blaze'  
Acer griseum Paperbark Maple  
Acer japonicum 'Aconitifolium'  
Acer japonicum 'Green Cascade'  
Acer japonicum 'Rising Sun'  
Acer japonicum 'Vitifolium'  
Acer shirasawanum 'Aureum'  
Acer platanoides Crimson King or Royal Red  
Acer saccharum 'Unity'

**Flowering Horsechestnuts**

Aesculus 'Briotti'

**Serviceberries**

Amelanchier laevis 'Autumn Brilliance'

**Birches**

Betula glandulosa  
Betula nigra 'Heritage'  
Betula nigra 'Summer Cascade'  
Betula nigra 'Fox Valley'  
Betula papyrifera Paper Birch  
Betula pendula 'Royal Frost'  
Betula platyphylla 'Fargo'

**Weeping Caraganas**

Caragana 'Pendula'  
Caragana 'Walkerii'

**Catalpa speciosa**

**Katsura Trees**

Cercidiphyllum japonicum  
Cercidiphyllum japonicum 'Pendula'  
Cercidiphyllum japonicum 'Rotfuchs'

**Fringetree**

Chionanthus virginicus

**Pagoda Dogwood**

Cornus alternifolia – green 10-15'  
'Golden Shadows' bright yellow with green variegated 10'

**Chinese Dogwood**

Cornus kousa

**Hawthorns**

Crataegus 'Crimson Cloud' Red with a white eye

'Paul's Scarlet' Dbl. scarlet

'Toba' Dbl. White turning pink

**European Beeches**

Fagus sylvatica 'Dawyck's'  
Green Beech  
'Purple Fountain'  
'Rohan Obelisk'  
'Roseo-marginata' (Tri-Color Beech)

**Ash**

Fraxinus mandshurica

**Honeylocust**

Gleditsia triacanthos 'Skyline'  
Ginkgo biloba

**Goldenchain Tree**

Laburnum x wateri 'Pendula'

**Tulip Tree**

Liriodendron tulipifera

**Magnolia**

'Leonard Messell'

'Royal Star'

'Susan'

**Flowering Crabs**

Malus sp. 'Candy mint'

'Centurian'

'Pink Spires'

'Prairiefire'

'Red Baron'

'Red Jade'

'Selkirk'

**Cottonwood/Poplar**

Populus 'Nor'Easter'

'Siouxland'

'Theves' columnar

**Swedish Columnar Poplar**

Populus tremula 'Erecta'

**Aspen**

Populus tremuloides

**Flowering Plum**

Prunus 'Krauter's Vesuvius'

'Mt. St. Helens'

**Flowering Cherry**

Prunus 'Autumnalis'

'Okame'

serrulata 'Kwanzan'

subhirtella 'Higan'

virginiana 'Canada Red'

**Oak**

Quercus ellipsoidalis Northern Pin

Quercus gambelii Gambel's oak

**Willows**

Salix caprea 'Pendula' Weeping Pussy Willow

Salix pentandra Laurel Leaf Willow

Salix purpurea

**Mtn. Ash**

Sorbus aucup. Fastigiata Columnar Mtn. Ash

Sorbus decora Showy Mtn, Ash

Sorbus hybrida Oakleaf Mtn Ash

Sorbus rossica Russian Mtn. Ash

**Stewartia**

Stewartia koreana

**Tree Lilac**

Syringa reticulata 'Ivory Snow'

**Elm**

Ulmus glabra 'Camperdown' Elm

**SHRUBS****Chokeberry**

Aronia melanocarpa 'Autumn Magic'

**Barberry**

Berberis

Crimson Pygmy – dwarf purple 2'

Emerald Carousel – green 4-5'

Gold Beret – dwarf, gold, 6-12"

Golden Carousel – gold 4-5'

Gold Pillar - gold, narrow 3'

Gold Ring – purple w/gold margins 4'

Helmond Pillar – purple, narrow 3'

Lime Glow – green, mottled with cream 3'

Rose Glow – purple, mottled w/pink 3'

Ruby Carousel – purple 4'

**Birch Shrubs**

Betula nana – 2'

Betula nigra 'Fox Valley' 8'+exfoliating creamy bark

Betula p. Trost's Dwarf - 3-5' cutleaf variety

**Blue Mist Spirea**

Caryopteris 'First Choice'

**Dogwoods**

Cornus alba – 'Cream Cracker' – 5-6'

'European Varigated' - 5-8'

'Gouchalti' – 6-8'

**Contorted Filbert**

Corylus avellana 'Contorta' 6-10'

'Red Majestic' contorted Filbert - purple leaves

**Smokebush**

Cotinus coggygria 'Golden Spirit' Gold leaves 8-10'

'Royal Purple' – 8-10'

'Young Lady' lots of bloom, green leaves 8-10'

**Cotoneaster**

Cotoneaster apiculatus – Cranberry 2'+

**Flowering Brooms** also look under *Genista*

Cytisus decumbens Yellow Broom 1-2'

Cytisus nigricans 'Cyni' Spike Broom 4x3'

Cytisus purpureus Purple bloom, fragrant 3'

**Daphne**

Daphne cneorum - Rock Daphne 1x2'

Daphne Burkwoodii 'Carol Mackie' 1-3'

Daphne mezereum – February Daphne 3'

**Burning Bush**

Euonymus alatus compactus - 5'

**Forsythia**

'Northern Gold' - 6-7'

'Meadowlark' - 6-10'

'Vermont Sun' -4'

Fothergilla gardenia 2-4' White flowers in spring, intense fall color

**Brooms** also check *Cytisus*

Genista lydia – 2x2'

Genista pilosa – Gold Flash 1x4'

Genista sagittalis – Arrow Broom 8"x3'

**Witchhazels**

Hamamelis 'Sunburst' yellow flowers early spring

Hamamelis vernalis yellow flowers spring 6-10'

**The Hydrangeas**

Hydrangea an. petiolaris – Climbing Hydrangea

Hydrangea arborescens 'Annabelle' white 3-5'

Hydrangea macrophylla

'Endless Summer' blue 3-5'

'Glowing Embers' purple/red flowers

Hydrangea paniculata - nice hardy shrubs, mostly 6-8'

'Burgundy Lace' white, maturing to mauve/violet 10-13'

'Limelight' white, maturing to rich deep pink

'Quick Fire' white, to rich deep pink – earlier

'Pink Diamond' white to pink

**Holly**

Ilex meserveae Evergreen - 'Blue Prince' pollinator

'Blue Princess' Red berries - fall, winter, spring

Ilex verticillata Deciduous 'Southern Gentleman' pollinator

Winter Red' Red berries fall/ winter

**Beauty Bush**

Kolkwitzia amabilis 'Pink Cloud' 6'

Honeysuckle

Lonicera 'Honeyrose' rosy red flowers, 8-10'

Lonicera maximowiczii sachalinensis – Sakhalin, rosy flowers 8'

**Mockorange**

Philadelphus lewisii –whiteflowered native species 6-8'

'Blizzard' large flowered 5'

'Waterton' – 7'

Philadelphus micropyllus – Littleleaf Mockorange 2-3'

**Ninebarks**

Physocarpus monogynus –white flowers May June 4'

Physocarpus opulifolius

'Center Glow – foliage yellow green maturing to bright red 6'+

'Coppertina –foliage, orange copper, matures to dark red 6'+

'Dart's Gold' foliage, golden 3-5'

'Diablo' burgundy foliage, bright red seed capsules 6-7'

'Summer Wine' foliage crimson red, pink flowers 6'+

**Potentilla**

Potentilla fruitcosa

'Abbotswood' - white flowers 3'

'Cobalt' - yellow 2-3'

'Gold Star' – large yellow 2'

'MangoTango' orange and yellow 2'

'Pink Beauty' pink 3'

'Yellow Gem' yellow, lowest growing 1-2'

**Roses (ask for a variety)**

Explorer Series

Champlain – red 2-3'

Old Fashioned

Persian Yellow

Rugosa -fragrant

'Hansa' 5-6' violet/red dbl.

'Magnifica' 5-6' carmine/red dbl.

'Purple Pavement' 1' Purple/crimson

'White Pavement' 2.5-3'

**Snowberry**

Symphoricarpos abla 'Amethyst' pink berries

**Willow**

Salix brachycarpa 'Blue Fox' 3' Globe

Salix 'Marquette' French Pussy Willow 12'

Salix integra 'Flamingo' 5' variegated

**Elderberry or Elder**

Sambucus racemosa 'Sutherland' gold, 6'

Sambucus nigra – 'Black Lace' purple foliage, pink buds white flowers 8'

'Black Beauty' purple foliage pink flowers 8-12'

**Spirea**

Spirea alpina 'Daphne'

Spirea betulifolia 'Tor'

Spirea x 'Froebeli'

'Anthony Waterer'

Spirea fritchiana 'Pink Parasol'

Spirea japonica 'Dakota Gold Charm'

'Goldmound'

'Goldflame'

'Magic Carpet'

Spirea nipponica 'Snowmound'

Spirea x 'Vanhouttei'

'Fairy Queen'

'Renaissance'

**Lilacs**

Syringa patula 'Miss Kim'

Syringa x hyacinthiflora

'Mount Baker' white, very fragrant

'Pochontas' purple, very fragrant

Syringa x vulgaris

'Beauty of Moscow' -white, 13'

'Ludwig Spaeth' - reddish-purple, 10'

'Monge' - reddish-purple, 10'

'Sensation' - purple and white bicolor, 10'

**Viburnums**

Viburnum x 'burkwoodii' 'Mohawk' pink buds, fragrant

Viburnum dentatum 'Northern Burgundy'

Great fall color purple fruits and flowers, 10'x10'

Viburnum lantana 'Mohican' – thick dark green leaves, good fall color, 6-8'

Viburnum trilobum 'Bailey's Compact' deep red fall color 5-6'

**Weigela**

Weigela florida  
'French Lace'

'Red Prince'  
'Wine and Roses'

### **VINES**

Clematis – in variety  
Lonicera 'Dropmore Scarlet'  
'Goldflame'  
Parthenocis quin.  
Virginia Creeper  
Englemann Ivy  
Wisteria Sinensis

### **FERNS**

Adiantum pedatum <i>Maidenhair</i>	Droypteris mar-
ginalis <i>Leatherwood</i>	
Athyrium filix-femina <i>Lady</i>	Osumda cinna-
momea <i>Cinnamon</i>	
Ahtyrium nipponicum <i>Painted, Okanum</i>	Os-
munda regalis <i>Royal</i>	
Polystichum munitum <i>Sword</i>	Native Ferns –
inquire	

### **HEATHS AND HEATHERS**

Erica and Calluna in variety - please inquire

**PERENNIALS** Old favorites, shade lovers, rock garden, xeriscape - please inquire

### **GRASSES**

Andropogon 'Silver Sunrise' *Big Blue Stem*  
Bouteloua curtipendula, B. gracilis *Grama Grass*  
Briza media *Quaking Grass*  
Calamagrostis 'Avalanche' 'Eldorado' 'Karl Forester'  
'Overdam'  
Carex muskingumensis *Palm Sedge*  
Carex 'Bowles Golden' 'Ice Dance' *Sedges*  
Deschampsia caespitosa *Hair Grass*  
Festuca glauca 'Elijah Blue' *Blue Fescue*  
Heirochole odorata *Sweet Grass*  
Helictotrichon s. 'Sapphire' *Blue Oat Grass*  
Miscanthus s. 'Autumn Red' *Maiden Grass*  
Orzopsis hymenoides *Indian Rice Grass*  
Panicum virgatum 'Dallas Blues' 'Northwind'  
'Shenendoah' *Switch Grass*  
Schizachryium scoparium *Little Bluestem*  
Sorghastrum nutans 'Indian Steel' *Indian Grass*  
Sporobolis hereolepis *Prairie Dropseed*  
Stipa viridula *Green Needle Grass*

### **EVERGREENS**

#### **Fir**

Abies alba 'Green Spiral' - White Fir 20' z4

'Midnight Wine'  
'Minuet'

Abies balsam 'Nana' - Dwarf Balsam Fir 2x3' z4  
Abies koreana - Korean Fir z4  
'Blauer Pfiff' dwarf and conical  
'Horstmann's Silberlocke' 6-15' recurved bicolored  
needles  
'Tundra' compact spreading 2x3'  
Abies procera – Noble Fir z5  
'Glauca Prostrata' spreading blue form

#### **Alaska Cedar**

Chamaecyparis nootkatensis z5  
'Glauca' Upright broad, with bluish cast to the green  
foliage  
'Jubilee' Large, narrow, weeping  
'Pendula' Large graceful weeping 15' +

#### **Hinoki Cypress**

Chamaecyparis obtusa z5  
'Kosteri' dwarf dark green cupped foliage 4'  
'Nana Lutea' dwarf gold cupped foliage 2-3'  
Chamaecyparis pisifera z4  
'Boulevard' 6-10' pyramidal blue, soft foliage  
'Mops' dwarf thread branch gold/green undertones  
4'  
'Tsukomo' dwarf dark green 1-2'  
'Filiifera' green thread-like foliage

#### **Junipers**

Juniperus chinensis  
'Blue Point' 8' narrow, blue needles z3  
'Daub's Frosted' 2x4' yellow tipped/blue green foliage z4  
'Sea Green' 4x4'+ nice bright green z4  
'Spartan' 6x16' upright rich green z4  
Juniperus communis striated green white needles z2&3  
'Compressa' 3' upright narrow dwarf  
'Corielagen' Soft bicolor green groundcover  
'Effusa' 1.5-2' flat topped and round, dark green  
'Green Carpet' 1"x3' bright green  
Juniperus horizontalis z3  
Seedling grown Native  
'Blue Chip' 1x6' silver blue spreader  
'Blue Forest' 1'x6' blue green  
'Limeglow' 1x3' Juvenile foliage chartreuse  
'Mother Lode' 1" x4' very gold, ground hugging  
'Wiltoni' 1'x6' Blue Rug  
Juniperus x media z4  
'Golden Joy' dwarf manageable gold pfitzer  
Juniperus sabina z3  
'Buffalo' 1x5' bright green spreader  
'Tamariscifolia' 2x5' mounding dark green  
Juniperus squamata  
'Blue Star' z4 1.5x2.5' blue star-like foliage  
Juniperus scopulorum z3 ask for variety; upright pyramidal types

**Larch** z2 deciduous conifers

Larix decidua

‘Pendula’ deciduous bright green weeping Larch (trained)

‘Puli’ narrower weeping form or ground cover

‘Varied Directions’ arching up and down weeping/spreading...

Larix gmelini

‘Romberg Park’ 12”x18” z2 irregular mounding shape

Larix kaempferi z3

‘Jakobsen’s Pyramid’

‘Nana’ slow dense bush...

‘Wolterdingen’ irregular mound to 4’

Larix siberica 30’, slower growing larch z2

Libocedrus decurrens Incense Cedar 40’+ z4-5

**Russian Cypress z2**

Microbiota decussata 1x3-4’ deer resistant, nice, lacey and touchable

‘Jacobson’ 12” bushy not layered

**Norway Spruce**

Picea abies 40’+ z2

‘Barryi’ to 6’ globe when young to spire shape

‘Clanbrassaliana’ 6’+, oval

‘Cupressina’ 15’+ columnar, dark green

‘Frohberg’ 10’+ narrow weeping form with full skirt

‘Hillside Upright’ 6-15’ dark green specimen

‘Little Gem’ 1’ dwarf mound

‘Mucronata’ 3-6’ broad oval

‘Pendula’ 15’ trained to weeping or mounding ground-cover

‘Pumila’ 3-6’ spreading mound

‘Sherwood Compact’ 15’x8’+ narrow upright

‘Repens’ 3-4’ x4-5’ spreader

**White Spruce**

Picea glauca z2-4

‘Conica’ 6’ pyramidal, Dwarf Alberta Spruce

‘Echiniformis’ 1’ miniature, blue green needled mound

‘Elf’ to 1’ miniature globe

‘Rainbows End’ 6’ green/yellow flush of new growth

‘Yukon Blue’ 6’ upright conical, blue/gray

Black Spruce

Picea mariana z3

‘Ericoides’ 1x6’ blue gray foliage

**Serbian Spruce**

Picea omorika z4

‘Bruns’ large sweeping spire

‘Gnom’ 6’ dwarf cone with bi-colored needles

‘Nana’ 6+ globe

‘Pendula’ large tree with pendulous branches

‘Pimoko’ 12” dwarf with multiple leaders, for rock garden

**Oriental Spruce**

Picea orientalis z4

‘Albospicata’ dark green new growth yellow

‘Gowdy’ tidy’8’x3’ dark green shiny needles

‘Shadow’s Broom’ 6’ small dense tree, unusually rich green needles

‘Skylands’ 35’ red cones, pyramidal, likes a little shade

**Colorado Spruce**

Picea pungens z2

‘Hoopsi’ 30’+ one of the best silver blue spruces

‘Kosteri’ 30’+ another great blue with sweeping habit

‘Lundebys Dwarf’ Compact wider than tall blue; ND

‘Pendula’ large, blue, weeping form on a standard

‘Procumbens’ intermediate undulating, blue, ground cover

‘Shilo Weeping’ strong upright, pendulous branches

‘St. Mary’s Broom’ 2x3’ dwarf mounding blue needles

**Chinese Spruce**

Picea purpurea var. balfouriana Upright broad, bluish green needles

**Bristlecone Pine**

Pinus aristata

‘Blue Heron’ large size, blue green needles

‘Formal Form’ Intermediate size, blue-green needles

**Eastern Jack Pine**

Pinus banksiana z2

‘Broom’ maybe 6’ Irregularly upright

‘Manomet’ slow, 3-6’ globe

‘Shoodic’ prostrate 3-6’, wide bright green needles

Swiss Stone Pine z3

‘Chalet’ 6-15’ narrow pyramidal, soft bluish green foliage

‘Nana’ 3-6’ - 10 yrs. Dwarf, broad upright, oval

‘Pygmaea’ 6-15’ dwarf oval, with medium green needles

**Limber Pine**

Pinus flexilis z4

‘Vanderwolf’s Pyramid’ Upright narrow 15’+ blue green needled tree

**Bosnian Pine**

Pinus leucodermis z4

‘Emerald Arrow’ 15’, dark green, narrow pyramid

‘Indigo Eyes’ intermediate tree with cobalt blue cones

‘Irish Bell’ dwarf, narrow at the top broader at ground level

‘Iseli Fastigiata’ large, upright narrow, stately

‘Mint Truffle’ Intermediate broad dense, teardrop

‘Smidt’ 1’ dwarf, dark green mound

**Mugo Pine**

Pinus mugo z2

‘Big Tuna’ 6’ upright narrow dwarf

‘Mops’ TRUdwarf, low dense dome

‘Slowmound’ TRUdwarf, dark green mound

Var. rostrata ‘Tannenbaum’ 15’ upright oval

mugo uncinata –Tree form Mugo 15’

‘ValleyCushion’ TRUdwarf much wider than tall

**Japanese White Pine**

Pinus parviflora z5

**Japanese White Pine**

*Pinus parviflora* z5

'Glauca' 15+ small tree, silver blue curved needles

'Hagaromo' dwarf globe, low maintenance

'Hakko'

'Ibokan' 15' irregular dense pyramidal tree

**American Red Pine**

*Pinus resinosa* z3

'Morel' 6'+ globe, medium green, hardy pine

**Eastern White Pine**

*Pinus strobus* z3

'Pendula' These are trained as broad spreaders

**Scotch Pine**

*Pinus sylvestris* z3

'Albyn Prostrata' dwarf, 6' wide blue green ground-cover

'Globosa Viridis' dwarf dark green globe to 6'

'Hillside Creeper, intermediate, ground covering plant 6-15' wide

**Douglas Fir**

*Pseudotsuga menziesii* glauca z3 Intermountain west seed source

**Giant Sequoia**

*Sequoiadendron giganteum* z4-5

'Hazel Smith' upright large tree bright blue foliage

**Japanese Umbrella Pine**

*Sciadopitys verticillata* z5

'Winter Green' 15' pyramidal, hardier cultivar for colder climates

**Yew**

*Taxus media* z4

'Tauntonii' 3-4x4-6' slowly spreading globe, resistant to winter burn

**Arborvitae**

*Thuja occidentalis* z3

'Degroot's Spire 1x8' narrow spire

'Gold Spot' green and gold pyramid 12'

'Little Giant' 3x3' green globe

'Rhiengold' semi-dwarf coppery-gold globe to 6'

'Smargd' Emerald Green, narrow upright 3x10'

'Yellow Ribbon' golden foliage 3x10'

'Zmatlik' upright narrow green from Czech Republic

**Western Red Cedar**

*Thuja plicata* z4 tall to 100' at maturity

'Atrovirens' 20x5' in 10yrs tall

'Spring Grove' 25x13' resistant to deer...

**Canadian Hemlock**

*Tsuga canadensis* z4

'Abbott's Pygmy' <1' globe one of the smallest

'Cole's Prostrate' ground cover of 3 feet or more

'Dawsoniana' 6-15' upright arching limbs bright green

'Forest Fountain' 6-15' deep green arching branches

'Gentsch White' 6-15' shear to promote white growth

at tips

'Gracilis' 3-6' low flat globe like

'Horsford Contorted' dwarf globe with twisted coiled branching

'Jacqueline Verkade 3-6' dwarf globe

'Kelsey's Weeping' 6-15' asymmetrical growth habit

'Julianne' multi-stemmed spreading dwarf

'Pendula' 15' slow mounding or trained upright weeping

'Slenderella' z3 6-15' upright narrow

'Winds Way' multi-stemmed asymmetrical 6-15'

**Japanese Hemlock or Rice Tree**

*Tsuga diversifolia* z4 upright broad with white bands under dark needles

**Western Hemlock**

*Tsuga heterophylla* z6

'Iron Springs' 6-15' with short dark green needles

**Mountain Hemlock**

*Tsuga mertensiana* z4-5 alpine hemlock

'Elizabeth' blue dwarf form

**BROADLEAF EVERGREENS****Boxwood**

'Green Velvet' 3x3' compact rounded plant

'North Star' 2-3' dark green leaved globe

**Northern Sheep Laurel**

*Kalmia angustifolia* z2 semi evergreen shrub dark pink flowers

**Holly**

*Ilex meserveae* z5

'Blue Prince' pollinator

'Blue Princess' Red berries - fall, winter, spring

**Cherry Laurel**

*Prunus laurocerasus* z5-6

'Otto Luyken' 3-4x6-8' Shiny green; fragrant free flowering in May.

**Rhododendron**

'Catawbiense Album' H1 one of the best whites for the north

'Lee's Dark Purple' H1 purple flowers, compact grower

'Nova Zembla' H1 red flowers, cold and heat tolerant

'Roseum Elegans' H1 pink flowers, ironclad, old selection of Rhodie

'PJM' H1 compact plants with purple flowers and small leaves

**Viburnum**

*x burkwoodii* z4 medium shrub with fragrant flowers

*x burkwoodii* 'Mohawk' intense pink buds, very fragrant

## Native Plants List

[Please inquire on availability](#)

**Montana Native Trees**

Abies grandis  
 Abies lasiocarpa  
 Acer glabrum  
 Betula occidentalis  
 Betula occidentalis fontinalis  
 Betula papyrifera  
 Betula pumila  
 Fraxinus pennsylvanica  
 Juniperus scopulorum  
 Larix occidentalis  
 Pinus flexilis  
 Pinus monticola  
 Pinus ponderosa  
 Populus angustifolia  
 Populus tremuloides  
 Populus trichocarpa  
 Prunus virginiana  
 Pseudotsuga menziesii  
 Quercus macrocarpa  
 Salix amygdaloides  
 Taxus brevifolia  
 Tsuga heterophylla  
 Tsuga mertensiana  
 Ulmus americana

**Montana Native Ferns**

Athyrium filix -femina  
 Gymnocarpum dryopteris  
 Woodsia oregana  
 Dryopteris felix-mas  
 Pteridium aquilinum

**Montana Native Shrubs**

Amelanchier alnifolia  
 Arctostaphylos patula  
 Arctostaphylos uva-ursi  
 Cornus stolonifera  
 Eleagnus commutata  
 Holodiscus discolor  
 Juniperus communis  
 Juniperus horizontalis  
 Kalmia microphylla  
 Ledum glandulosum  
 Linnaea borealis  
 Lonicera involucrata  
 Mahonia repens  
 Pachistima myrsinites  
 Philadelphus lewisii  
 Phyllodace empetriformis  
 Potentilla fruiticosa  
 Rosa gymnocarpum  
 Rhus glabra  
 Shepherdia argentea  
 Shepherdia canadensis  
 Symphoricarpos occidentalis  
 Yucca glauca

**Montana Native Grasses**

Bouteloua curtipendula  
 Bouteloua gracilis  
 Deschampsia caespitosa  
 Hierochloa odorata  
 Oryzopsis hymenoides  
 Schizachyrium scoparium  
 Sporobolus heterolepis  
 Stipa viridula

**Montana Native Herbaceous Perennials**

Achillea millefolium  
 Anemone patens  
 Antennaria sp.  
 Arnica cordifolia  
 Apocynum androsaemifolium  
 Camassia quamish  
 Clintonia uniflora  
 Cornus canadensis  
 Dryas drummondii  
 Dryas octapetala  
 Eriogonum umbellatum  
 Erythronium grandiflorum  
 Gentiana calycosa  
 Heuchera parviflora  
 Iris missouriensis  
 Liatris punctata  
 Linum lewisii  
 Lysichiton americanus  
 Penstemon sp.  
 Petrophytum caespitosum  
 Physaria didymocarpa  
 Pyrola asarifolia  
 Dalea purpurea
